SUMMARY

I am a computer engineer with experience providing remote and on-site technical support in enterprise and MSP environments. Skilled in troubleshooting hardware, software, networking, and Microsoft environments, with practical experience in Microsoft 365, Entra ID, Intune, Security Defender Admin, Windows Server, endpoint management, NinjaOne, Freshservice, ServiceNow, and HPE Aruba Central.

WORK EXPERIENCE

Peak Support - IT Service Desk Analyst

May 2026 - Present

- Provide L1-L3 technical support for Windows and macOS endpoints, peripherals, applications, and connectivity issues through Freshservice.
- Administer Microsoft 365, Entra ID, Intune, Exchange Online, SharePoint, Teams, and OneDrive, including user lifecycle, access, licensing, and permissions management.
- Manage endpoint deployment and maintenance using Microsoft Intune and NinjaOne RMM, including device health, patching, updates, and software management.
- Perform security, identity, and administrative tasks using Microsoft Defender, Conditional Access, MFA, Microsoft Graph, PowerShell, Check Point, Island Browser, and Teramind.
- Recognized as a Top 1 Performing Service Desk Analyst for 3 consecutive months, maintaining a 99.99% KPI performance score.

NettDriven Corporation - IT Support / Cognizant - Desktop Support Engineer

September 2025 - May 2026

- Provide remote and on-site technical support, involving hardware, software, and network-related issues while meeting SLA targets.
- Troubleshoot Windows workstations, printers, and connectivity issues.
- Utilize ServiceNow to log, track, and resolve incidents to ensure proper documentation and regular updates.
- Manage IT assets, including inventory tracking, deployment, and lifecycle management of devices.
- Monitor and maintain the network infrastructure of Cognizant Urdaneta Satellite Office using HPE Aruba Central.

TECHNICAL SKILLS

- ITSM & Ticketing (ServiceNow, Freshdesk), RMM/Endpoint Management (NinjaOne, AnyDesk)
- Network Fundamentals (DNS, DHCP, IP), OSI & TCP/IP Models, Hardware/Software Support
- Microsoft 365 Admin Center, Entra ID, Intune, Security Defender, Exchange, Sharepoint, OneDrive
- Technical Documentation, End-user Support, Google Workspace

EDUCATION

Wesleyan University - Philippines (WU-P)

August 2021 - July 2025

Bachelor of Science in Computer Engineering (BSCpE) - Magna Cum Laude
